**ARTICLE III**  
**PROPERTY RIGHTS**

Section 1. Unit Owner's Easement of Enjoyment. Every Unit Owner shall have an easement of enjoyment in and to the Common Areas and Common Property, which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

- (a) the right of the Association to suspend the voting rights of a Unit Owner for any period during which any assessment against the Unit Owner's Lot remains unpaid, and for a period not to exceed sixty (60) days for any infraction of the Declaration or Bylaws or for the duration of the infraction, whichever is longer;

the Association, to modify and amend the areas designated as Lots or Common Areas or Common Property as may be reasonable and appropriate for engineering or architectural reasons and as dictated by marketing experience, provided, however, that the quantity of Common Areas or Common Property will not be substantially diminished;

(d) the right of the Developer in and to a construction easement over, upon, under and through all of the Common Areas and/or Common Property until completion of all development and construction on the Property. Said easement shall include but not be restricted to: installation of utilities, walks, roads, driveways and parking areas; grading, seeding and landscaping; parking for construction vehicles, trailers, workmen and open house or promotional activities; use of units for sales models and construction or project sales offices; erection of signs and temporary structures such as sales offices and construction trailers; construction of storm water detention areas and any other easement required by any governmental agency;

(e) the right of the Developer to grant easements upon, across, over, under, in and to any part of properties, including Common Areas and/or Common Property to any public agency, authority or utility for ingress, egress, repair and maintenance of all utilities, including, but not limited to, cable television service, electricity, gas, security, sewer, telephone, water, and similar systems.

(h) the right of The Buncher Company to utilize its easement rights on the Property for the erection and operation of a monument sign as set forth in that certain Easement Agreement as recorded in the Allegheny County Department of Real Estate on September 14, 2018 in Deed Book Volume 17357, Page 94.

Section 2. Delegation of Use. Any Unit Owner may assign his right of enjoyment to the Common Areas and Common Property and facilities to members of his (or her) family, tenants or contract purchasers who reside on the Property.

Section 3. Title to Common Property. Developer hereby retains title to the Common Areas and Common Property until such time as the Developer conveys the same to the Association. Developer may convey the Common Areas and Common Property to the Association upon the sale of twenty five percent (25%) of the Lots in the Plan but shall convey the Common Areas and Common Property to the Association upon the sale of ninety percent (90%) of the Lots in the Plan. ("Act 2"), the Master Declaration, all exceptions, easements and conditions as the same may be and appear in instruments of record, including, but not limited to, those set forth in this Declaration. The Developer's retention of title shall not prohibit the Developer from using the Association's funds for the maintenance, improvement, or costs associated with the Common Areas and/or Common Property. The repair, replacement and maintenance of these storm water facilities, conveyance lines, and any pro-rata costs associated with the common detention system, to the extent utilized, shall be Common Expenses and shall be the responsibility of the Association.

Section 5. Temporary Easement for Maintenance in Favor of Unit Owners. Each Unit Owner shall have a right to a temporary easement over the property of the other Unit Owners in the same building, or adjacent buildings, for the purpose of maintaining and/or improving their residence and the grounds thereon. This temporary easement shall allow Unit Owners to cross other Unit Owners' properties in a manner so as to minimally disturb the property itself and the peaceful enjoyment of that Unit Owner but will allow access for maintaining or improving the Units. A Unit Owner wishing to avail itself of this temporary easement shall first notify the Board of Directors, and the affected Unit Owner or Unit Owners, at least two (2) weeks prior to their intended use of the temporary easement. If, at the determination of the Board of Directors, the use of the temporary easement shall adversely affect the other Unit Owners, then the Board of Directors, in its sole discretion, may require the Unit Owner seeking to use the temporary easement to post a bond or cash deposit which would guarantee the restoration of the affected Unit Owners' property back to its

original condition. The Unit Owner utilizing the temporary easement shall be responsible for restoring any affected property back to its original condition.

Section 6. Covenant of Access. Each Lot shall be conveyed together with and subject to each Unit Owner having adequate and uninterrupted access to and maintenance of the Common Areas and Common Property, including, but not limited to, gas, water, electric, and telephone lines; heating, ventilating, and air conditioning facilities; walls; steps; interior and exterior lights; storm and sanitary sewers; roof drains and collectors; drainage swales; cable television antennas and/or underground wiring; pedestrian ways; and vehicle and pedestrian access.

Section 7. Driveway Access. Each Unit will have access to their respective garages by virtue of a common driveway which is considered Common Property. No Unit Owner shall be permitted to obstruct the common driveways, or to park a vehicle thereon.

Section 8. Deck Encroachments. The Developer shall be permitted to install decks on the rear of the Units which encroach into the area above the common driveways as may be approved by the Board of Directors. Each Unit Owner shall be responsible for the maintenance, repair, and/or replacement of the decks. The size of the decks shall be limited as follows based on the Unit constructed on each Lot: (a) Brownstone I: 16 feet wide, 5 feet deep; (b) Brownstone II: 18 feet wide, 5 feet deep; (c) Brownstone III: 19 feet wide, 8 feet deep; and (d) Brownstone IV: 19 feet wide; 8 feet deep.

Section 9. Pedestrian Easement. The Developer shall be permitted to grant pedestrian easements in favor of the City of Pittsburgh and/or City of Pittsburgh Urban Redevelopment Authority, and their respective successors and assigns, through a portion of the Common Areas for pedestrian access only. The actual location of the pedestrian easements shall be determined by the Developer within two (2) years of the recording of this Declaration.

Section 10. Condition of Title. A list of title restrictions and encumbrances which may affect title to the Property and Additional Property is attached hereto as Exhibit "C" and is incorporated by reference herein.

#### **ARTICLE IV** **PARTY WALLS**

Section 1. General Rules or Laws to Apply. Each wall which is built as part of the original construction of the townhouses on the Property and placed along the common boundary between two Lots or Units shall constitute a party wall and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and of liability for property damage due to negligent or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Unit Owners who make use of the wall in proportion to such use, unless the party wall is damaged by the act or omission of one Unit Owner, in which event the Unit Owner causing such damage shall be solely responsible for the entire repair and cost thereof.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Unit Owner who has used the wall may restore it and, if the other owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use. This right is without prejudice to the right of any such owner to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts of omission.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, a Unit Owner who, by such Unit Owner's negligent or willful act, causes the party wall to be exposed to the elements shall bear the entire cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Unit Owner to contribution from any other Unit Owner under this article shall be appurtenant to the land and shall pass to such Unit Owner's successor in title.

## **ARTICLE V** **ASSESSMENTS**

Section 1. Creation of Lien and Personal Obligation of Assessment. With the exception of Lots owned by the Developer, each Lot, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to be obligated to pay to the Association: (1) Annual Assessments or charges including, but not limited to, Common Expenses; (2) Special Assessments; and (3) specific assessments against particular Units for fines or other charges. All such assessments, together with interest, costs and reasonable attorneys' fees, shall be a charge on the Lot and a continuing lien upon the Lot against which the assessment was made and shall also be the personal obligation of the person who was the Unit Owner of such Lot or Unit at the time when such assessment was levied. Such Unit Owner shall remain personally liable for delinquent assessments even if the property is conveyed to a new Unit Owner, who shall, however, not be personally liable for such delinquent assessment unless expressly assuming that obligation.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used to promote the health, safety and welfare of the residents of the Property, for the improvement, maintenance, repair and / or replacement of the Common Property and Common Areas, for Common Expenses, and for the costs associated with storm water management and the maintenance of the storm water management facilities. The Board of Directors shall also have the right to utilize the assessments to create appropriate reserves for the Common Property.

### Section 3. Annual Assessments.

(a) The Annual Assessment shall initially commence on the date that the Board of Directors designates, and such Annual Assessments shall be made thereafter annually based on the budget adopted annually by the Association. For the first Annual Assessment, the amount thereof shall be Three Hundred and Dollars (\$300.00) per month per Unit. Assessments shall be collected and paid quarterly in advance or on such dates as may be determined by the Board of Directors. The Developer shall not be required to pay Annual Assessments on any Lot or Lots that it owns without the Developer's prior written consent.

(b) It shall be the duty of the Board of Directors at least thirty (30) days prior to the Association's Annual Meeting to prepare a budget covering the estimated costs of operating the Association during the coming year and a proposed Annual Assessment. The Board of Directors shall cause a copy of the budget and proposed Annual Assessment to be delivered to each Unit Owner at least thirty (30) days prior to the Annual Meeting. The budget and the proposed Annual Assessment shall become effective unless disapproved at the Annual Meeting by vote of at least fifty-one (51%) percent of the Unit Owners in attendance, either in person or by proxy.

(c) The Association shall, upon demand at any time, furnish to any Unit Owner a certificate in writing signed by the Association setting forth whether all assessments have been paid. Such certificate shall be binding upon the Association.

(d) In the event the Board of Directors is delayed in preparing the Annual Budget or a vote of the membership causes a delay, the Unit Owners shall continue to pay the monthly charges at the then-existing rate established for the previous period until the same shall be changed.

Section 4. Special Assessments. In addition to the Annual Assessments authorized above, the Board of Directors may levy Special Assessments for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of the Common Property or the Common Areas, provided that any such Special Assessment shall have the consent of two-thirds (2/3) of the Unit Owners present, in person or by proxy, at the Annual Association Meeting or a Special Meeting called for this purpose. The Developer shall not be subject to Special Assessments without its prior written consent.

Section 5. Notice and Quorum for Action. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article shall be hand-delivered to the Unit or mailed by United States mail, first-class, postage prepaid, to the Unit Owner at the address appearing in the records of the Association, not less than twenty (20) days nor more than sixty (60) days in advance of the meeting. At such meeting, the presence of Unit Owners and proxies entitled to cast over ten (10%) percent of all the votes shall constitute a quorum.

Section 6. Date of Commencement of Annual Assessments; Due Dates. The Annual Assessment shall commence as to each Lot when an Occupancy Permit is obtained for the home, and closing of that home from the builder to the first home buyer has occurred. At closing, the current month's assessment shall be prorated on a daily basis. The due date of any Special Assessment under Section 4 of this Article shall be fixed in the resolution authorizing such assessment.

Section 7. Effect of Non-payment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall incur a late charge of Fifty Dollars (\$50.00) per month or at such rate as determined by the Board of Directors and, if not paid within sixty (60) days, interest at the rate of 15% per annum. The Association may bring an action at law against the Unit Owner, or the person personally obligated to pay the assessment, or foreclose the lien against the Unit, and there shall be added to the amount of such assessment the costs of preparing and filing the Complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment and a reasonable attorney's fee, together with the costs of the action. No Unit Owner may waive or otherwise except liability for the assessments provided for herein by non-use of the Common Areas and/or Common Property, or abandonment of a Lot or Unit.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of a purchase money mortgage placed upon the properties subject to assessment.

Section 9. Capitalization Fee; Fund for Replacements. The Developer shall have the right to charge a one-time capitalization fee to the Unit Owner at the Unit Owner's closing with the builder. The capitalization fee at the time of this Declaration is One-Thousand Dollars (\$1,000.00). The Developer shall have the right to utilize up to Two-Hundred and Fifty Dollars (\$250.00) from the Capitalization Fee for reimbursement to the Developer for the purchase, installation and/or maintenance of any mailboxes required by the United States Post Office and/or to defray the costs associated with the development and construction of the storm water management facilities on the Property and/or the Additional Properties. The Association may also establish and maintain a reserve fund for replacement of any part of the Common Areas and/or Common Property and facilities as the Association deems appropriate.

## ARTICLE VI INSURANCE

Section 1. Association Coverage. The Association shall obtain and maintain, to the extent obtainable, without prejudice to the right of each Unit Owner to insure the Unit Owner for the Unit Owner's benefit, the following insurance policies:

(a) Insurance on the Common Areas and/or Common Property, and any easements associated with the Property, in an amount equal to the full replacement value and with a replacement cost endorsement which provides for the payment of all losses without deduction or allowance for depreciation. Such coverage shall afford protection against, at least, the following:

(1) Loss or damage by fire or other hazards covered by the standard extended coverage endorsement and additional extended coverage endorsement;

(2) Such other risks as shall customarily be covered with respect to projects similar in construction, location and use, including, but not limited to, vandalism, malicious mischief, and such other insurance as the Board of Directors may from time to time determine;

(3) Public liability insurance in such amount as the Board of Directors may from time to time determine is appropriate.

(4) Workers' Compensation insurance to the extent necessary to comply with any applicable law;

(5) Such other policies of insurance, including insurance for other risks of a similar nature, (including, but not limited to Flood Insurance), as are or shall hereafter be considered appropriate by the Board of Directors.

To the extent that any easements are located on a Lot of a Unit Owner, the insurance of the Association shall be primary, and the Association shall furnish, at the request of such Unit Owner, a Certificate of Insurance confirming the existence of such coverage.

(b) The Association may also obtain, as a Common Expense, insurance of the type known as "officer's and director's liability" coverage.

(c) The premiums for the insurance coverage shall be a Common Expense levied by the Board of Directors.

(d) The Board of Directors or its designee shall have the exclusive authority to adjust losses under the said insurance policies.

(e) Each Unit Owner shall be responsible for insurance on the Unit, the contents of the Unit, the additions and improvements thereto and public liability insurance covering the land and building.

Section 2. Flood Insurance. The Association shall also have the right, but not the obligation, to obtain Flood Insurance, on a group basis, for the Members of the Association which provides coverage to the respective Unit Owners.

## **ARTICLE VII**

### **SEPARATE MORTGAGES, TAXES, UTILITY CHARGES, AND SERVICES**

Section 1. Mortgages. Each Unit Owner shall have the right to mortgage or encumber its or her own Unit. No Unit Owner shall have the right or authority to mortgage or otherwise encumber in any manner whatsoever the Common Areas and/or Common Property.

Section 2. Taxes and Assessments. The Association shall pay as a Common Expense all real and personal property taxes assessed against the Association and/or any property owned by the Association. It is the intent of this Declaration that inasmuch as the interest of each Unit Owner to use and enjoy the Common Areas and/or Common Property is an interest in real property on a proportionate basis appurtenant to each Lot, the value of the interest of each Unit Owner in such Common Areas and/or Common Property shall be included in the assessment for each such Lot.

Section 3. Utilities. Each Unit Owner shall pay for cable television, electricity, gas, sewer, telephone, water, and/or other utilities which are separately metered or billed to each user by the appropriate utility company. Utilities not separately metered or billed shall be treated as part of the Common Expenses.

Section 4. Landscaping, Lawn Maintenance and Snow Removal. The Association shall procure, on an annual basis, grass cutting and trimming, lawn fertilizing, mulching of flower and decorative beds of the standard landscaping package or replacements, in kind, thereof. The Association shall also procure, on an annual basis, snow removal service for the Units' driveways, sidewalks, and any private roads. The costs associated with these services shall be included in the Annual Assessments paid by the Unit Owners. It is the express intent of the Developer that all of the Unit Owners must participate in these services, and no Unit Owner shall have the right to opt out of the same.

**ARTICLE VIII**  
**USE RESTRICTIONS AND RULE MAKING**

Section 1. Use Restrictions. The Property is intended to be used for the following purposes, and the use of the Property (including and Additional Property if applicable) is hereby restricted as follows:

(a) Unit Restrictions. Other than amendment to the plans made by the Developer, or with respect to changes to the Additional Property made by the Developer, no Lot or Unit may be divided or subdivided into a smaller Lot or Unit, nor may any portion of any Lot or Unit be added to or incorporated into another Lot or Unit, nor any portion less than all thereof sold or otherwise transferred.

(b) Structures. No structure shall be erected, altered, placed, used or permitted to remain on any Lot other than a Unit meeting the construction standards set forth herein. All structures are to have slab on grade construction.

(c) Use of Common Property. The Common Property and facilities may be used by all Unit Owners and/or tenants, residents, their families, guests and invitees, subject to such Rules and Regulations as may be established by the Board of Directors.

(d) Maintenance. Each Unit Owner shall furnish and be responsible, at the Unit Owner's own expense, for the maintenance, repairs and replacements within the Unit and also for all exterior maintenance required in and about the Unit. The Board of Directors shall determine what exterior maintenance is the responsibility of the Unit Owner.

(e) Prohibited Use. No articles of personal property belonging to any Unit Owner shall be stored on any portion of the Common Areas and/or Common Property without the prior written consent of the Board of Directors. Nothing shall be done or kept in any Unit or on the Common Areas and/or Common Property which violates the law, or which will increase the rate of insurance on any building or contents thereof.

(f) Outside Attachments. Unit Owners shall not attach anything to the outside walls or roof of any Unit, such as radio or television antenna, or satellite dish, (excepting a satellite dish with a diameter of 18" or less), which may be visible from the street. All exterior alterations must be approved by the Board of Directors using an approved "Alteration Request Form".

(g) Signs.

(1) Except for a standard “for sale” sign which does not exceed six (6) square feet, no sign of any kind shall be displayed in the public view on any Lot for a period of thirty (30) days or more during any calendar year without prior written consent of the Board of Directors.

(2) The Developer or builder shall have the right to erect signs to advertise all of the Property, the Additional Property, the sale of Lots, and any other signs which the Developer deems necessary for construction and sale of Lots on any part of the Property and Additional Property owned by Developer. Developer shall have the right to erect an entrance monument identifying the plan as “STRIP DISTRICT BROWNSTONES”.

(h) Nuisances. No noxious or offensive activity shall be carried on upon any Lot or in any Unit, nor shall anything be done which may be or may become an annoyance or nuisance to the neighborhood.

(i) Garbage and Refuse Disposal. Trash, garbage and other waste shall be kept only in plastic bags or disposal containers and shall be disposed of in such manner as may be prescribed from time to time by the City of Pittsburgh or in the Rules and Regulations. Garbage bags and/or containers shall not be taken out earlier than 5:00PM on the day prior to collection and must be kept out of public view at all other times. No building materials, refuse, trash or debris shall be kept, stored, or allowed to accumulate on any Lot.

(j) Residential Use. All Lots and Units shall be for private residential purposes only. Notwithstanding anything contained herein, the Developer or its designee builder has the right to use any Lots or Units owned by it for models and for sales offices and administrative offices. If a specific home occupation is permitted under the zoning laws of the City of Pittsburgh, such use shall be permitted in this Plan.

(k) Laws. All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed on the Property by the Unit Owners.

(l) Laundry Lines. Laundry poles and lines outside of Units are prohibited.

(m) Temporary Structures. No structure of a temporary character, dog house, trailer, tent, shack, garage, barn or other out-building shall be constructed or used on any Lot at any time except by the Developer or its designee builder in completing the Development.

(n) Pets. No animals, livestock, fowl or poultry of any kind shall be raised, bred or kept in any Unit, on any Lot, or in the Common Areas and/or Common Property, except that dogs, cats

## **ARTICLE XII**

### **DEVELOPER OPTIONS TO ADD / CONVERT / WITHDRAW REAL ESTATE**

Section 1. Additional Real Estate. Developer hereby explicitly reserves an option, until the seventh (7th) anniversary of the recording of this Declaration, to add all or any part of the Additional Property to the development from time to time in compliance with the Act, without the consent of any Unit Owner, or mortgagee. This option to expand may be terminated prior to such anniversary only upon the filing by Developer of an amendment to this Declaration terminating the option. Developer expressly reserves the right to add any or all portions of the Additional Property at any time, at different times, in any order, without limitation and without any requirement that any

other real estate be added, converted or withdrawn; provided, however, that the Additional Property shall not exceed the area described on Exhibit "B" hereto. There are no other limitations on this option to add Additional Property to the community.

Section 2. Convertible/Withdrawable Real Estate. Developer hereby explicitly reserves an option, until the seventh (7th) anniversary of the recording of this Declaration the right to convert the use of any real estate, withdraw any real estate, and/or increase or decrease the number of Units and/or Common Areas and/or Common Property, open space parcels and/or residual areas within the Convertible / Withdrawable Real Estate in accordance with the Act and the provisions hereof, provided however, that exercise of any such right shall not physically affect the boundaries of any Unit not owned by the Developer without the Unit Owner's consent. The Convertible / Withdrawable Real Estate shall consist of all or any and all Units, Common Areas and/or Common Property, open space parcels, or residual area as shown on the plats and plans, including any Additional Property added to the development.

Section 3. Assurances. Except as expressly set forth below, Developer makes no assurances or representations regarding the Additional Property or the Convertible/Withdrawable Real Estate:

(a) The Additional Property and Convertible/Withdrawable Real Estate shall be used for residential purposes, and / or as Common Areas and /or as Common Property if Developer adds the Additional Property to the development. In such event, any improvements to be constructed on the Additional Property and Units thereon will be compatible in quality, size, and materials with improvements and Units on the Property. Declarant expressly reserves the right to designate Common Areas and/or Common Property in the Additional Property. Except as otherwise set forth in herein or in the Act, there are no other circumstances that will terminate this option before the expiration of the time limits set forth herein.

(b) The Percentage Interest in the Association appurtenant to each Lot, the relative voting strength in the Association appurtenant to each Lot, and the share of Common Expense assessments appurtenant to each Lot in the Additional Property and/or the Convertible/Withdrawable Real Estate is based upon a formula of "A" equals 100 divided by "B", with "A" equal to the interest in the Association, relative voting strength and/or share of Common Expense assessments appurtenant to each Lot and "B" equal to the number of total Lots created both originally and following any conversion involving the Additional Property and the Convertible/Withdrawable Real Estate.

(c) In the event Units are created in the Additional Property and/or the Convertible / Withdrawable Real Estate and added to the Planned Community, the same restrictions affecting the use, occupancy, and alienation of the Units that apply to the Units originally created will apply to those Lots created within the Additional Property and the Convertible / Withdrawable Real Estate.

(d) The maximum number of Units to be developed in the Planned Community, including all of the Units which could be developed on the Additional Property, is forty-six (46) Units. The maximum number of Units which could be developed on the Additional Property alone is 26 Units.

### **ARTICLE XIII**

#### **UNUSUAL CIRCUMSTANCES**

Section 1. Act 2 Clearance and Environmental Covenants. The Property, as well as other parcels of real estate located near the Property, now or formerly owned by The Buncher Company, have obtained “Act 2 Clearance” from the Pennsylvania Department of Environmental Protection. As part of the Act 2 Clearance, the Developer’s predecessor in title placed an “Environmental Covenant” on the Property. The Environmental Covenant, which was recorded in the Allegheny County Department of Real Estate on April 17, 2014 in Deed Book Volume 15527, Page 164 provides, *inter alia*, the following “Activity & Use Limitations”:

- a) Soil and/or asphalt cover will be maintained in three specific areas which are not on the Property and the Additional Property;
- b) A soil management plan will be utilized for the Property and the Additional Property during construction/earthwork activities.
- c) A vapor barrier will be installed for any future buildings.
- d) All buildings located on the Property and the Additional Properties will consist of slab-on-grade construction.
- e) Except for existing uses of the groundwater already approved by the Department of Environmental Protection by the issuance of permit(s), groundwater at the Property and the Additional Property will not be used for potable water supply or agricultural purposes unless approved by the Department.
- f) Future use of the Produce Building will be restricted to non-residential use only.

The Developer will comply with all of the terms and conditions of the Environmental Covenant, and the Developer's successors and assigns will continue to be bound by the Environmental Covenant after the purchase of a Unit.

Section 2. Floodplain. Portions of the Property and the Additional Property are located with the AE Floodplain. The Developer has taken the appropriate steps to design the Units so that the Units' finished floor elevation is above the floodplain, even though portions of the ingress and egress areas leading to the Unit may be located within the floodplain. The fact that these ingress and egress areas leading to the Units are located within the floodplain may result in the Unit Owner's having to obtain Flood Insurance. This Declaration provides the Association with the right to purchase Flood Insurance, on a group basis, for all of the Unit Owners. Initially, the Developer has exercised this right and has purchased Flood Insurance, on a group basis, for all of the Unit Owners. Unit Owners, and prospective Unit Owners, are encouraged to consult with their insurance agent and lender (if any), to determine (a) whether Flood Insurance is required, (b) the amount of Flood Insurance that may be required, and/or (c) the annual premiums associated with such Flood Insurance. Unless expressly assumed by the Association, each Unit Owner will be responsible for obtaining and paying for its own Flood Insurance if the same is required.
